

ICMDA PROJECT

MASTER IN FAMILY MEDICINE

Dr. Sangeetha Balaji, an alumna of PGDFM program, Christian Medical Collage, is currently involved in coordinating the MFM program, as the program manager. Her administrative role in the program includes liaising with the program partners, to provide learner counselling, and administrative support for the contact program logistics of the course at the international centres. She is also involved in various activities, assisting the facilitation of Family Medicine program (distance education) at CMC and is in charge of the Primary care research help desk.

Highlights of MFM

Official MOU signing between ICMDA, UoE and CMC was on 23 Feb 2015, at Chennai, India.

Faculty Development program for Facilitators and local coordinators of the MFM contact session was conducted during Jan 15 to 17th, 2015, at CMC, Vellore, India.

MFM 2014 batch of 19 candidates are looking forward to attending contact session at the regional centers in Nigeria, Uganda and India.
